

## Slavery in the Colonies Discussion

### “Slaves” – Alan Taylor

1. Why did the labor supply change in the Chesapeake?
2. How did the shift to slave labor change the relationship between whites in the South?
3. How does slavery evolve over the course of the 17<sup>th</sup> century? Why does this change occur?
4. How does Virginia rigidify the practice of slavery into society?

### “Drawing the Color Line”

5. According to Zinn, why couldn't the English use Natives as a labor force?
6. How did the practice of slavery in Africa differ from European practice of slavery?
7. Describe the conditions Africans faced when taken into slavery.
8. How did African men and women resist enslavement, once in the New World?
9. According to Zinn, how did slave owners train their newly imported slaves?
10. According to Zinn, in conclusion, what historical threads can be woven together “to ensnare blacks for slavery in America?”
